What happens if my closed transaction profits or losses are in another currency from my base account currency?

Trading · https://windsorbrokers.com/knowledge-base/trading/what-happens-if-my-closed-transaction-profits-or-losses-are-in-another-currency-from-my-base-account-currency/

Closed transactions of instruments bearing Profit/Loss results in currencies other than the basic currency of the account are subject to currency exchange fees between - 2 and 2%.
