If you're already a client, go to the WB Copy Trading tab in the client portal and click on the option to become a Provider. For new clients, you need to first register for an account with Windsor Brokers and then sign up as a Provider through the client portal.

To become a Provider , you'll need to create a public profile to share your trading strategies and choose a funded MT4 account to use for copy trading. After you submit your application, our team will review it and send you an email to let you know when your request to become a WB Copy Trading Provider has been processed. Once you receive the email, your profile will become active and Followers will be able to subscribe to you.
