How do I modify or delete a pending order on MT4?

Trading · https://windsorbrokers.com/knowledge-base/trading/how-do-i-modify-or-delete-a-pending-order-on-mt4/

To modify a pending order:

1- Double click on the order you want to modify or right click and select 'Modify or Delete order'

2- From the order window, modify the Price

3- Click 'Modify'

To delete a pending order:

1- Double click on the order you want to delete (or right click and select 'Modify or Delete order' button)

2- From the order window, Click 'Delete'
