What happens if I lose my active bonus?

Loyalty Rewards · https://windsorbrokers.com/knowledge-base/loyalty-rewards/what-happens-if-i-lose-my-active-bonus/

If your active $60K Deposit Bonus is lost due to trading activity, you can rebuild it in full through new deposits. The bonus is fully rechargeable, and you can regain it multiple times until you reach your unlocked total bonus capacity. Each time you reach a new Loyalty Tier , your total bonus capacity increases. Your highest unlocked capacity never resets, even if your Loyalty Tier drops later. You always keep the maximum capacity you have earned.
