Will my account leverage be affected if I receive the bonus?

Loyalty Rewards · https://windsorbrokers.com/knowledge-base/loyalty-rewards/will-my-account-leverage-be-affected-if-i-receive-the-bonus/

Yes, receiving a trading bonus may result in adjustments to your account leverage. Depending on the awarded bonus percentage, your account leverage could be modified to ensure compliance with Windsor Brokers' risk management policies. Some trading instruments may also have different maximum leverage caps. You can review the specific leverage conditions in your client portal or by consulting the trading Terms and Conditions on the Windsor Brokers website.
