Does Windsor Brokers have an App?

Opening & Managing Account · https://windsorbrokers.com/knowledge-base/opening-managing-account/does-windsor-brokers-have-an-app/

Yes. Windsor Brokers offers its own mobile app, available on both Android and iOS, allowing clients to manage their accounts on the go. Through the app, traders can securely deposit, withdraw, and transfer funds, monitor account balance, equity, and transaction history, access key performance analytics, and track real-time prices and market trends via charts and news updates.
