How can I change my account/portal passwords from my Portal?

Opening & Managing Account · https://windsorbrokers.com/knowledge-base/opening-managing-account/how-can-i-change-my-account-portal-passwords-from-my-portal/

1- Access the Portal

2- Enter your Login details and Password

3- Select “Password Change” from the home page

4- Click on “Type”. Select and select the “Account number” that you wish to change the password for / or the “Portal Login” if you want to change the password for the Portal

5- Type the “Current Portal Password”

6- Type the New Password (Must be at least 8 characters, with one uppercase and one number)

Press “Submit”; a message will confirm that “Password Changed“.
