How can I download the MT4 Platform on desktop?

Trading Platform · https://windsorbrokers.com/knowledge-base/trading-platform/how-can-i-download-the-mt4-platform-on-desktop/

To download the MT4 platform follow the steps below :

1- Visit the Portal

2- Type Login and Password received to your registered e-mail address

3- Click on 'Download Center''

4- From the 'Traders Room' page click on 'Download' under MT4 Desktop

5- Click on the downloaded file at bottom of the page

6- Click 'Run'

7- Select 'Yes'

8- 'Next' and wait for the download to complete

9- Click 'Finish'

10- Select Server and press ‘Next’: You can find your server on your WB Portal or App under Account Details.

11- Select 'New real account' or 'New Demo Account' and press 'next', You will then be directed to the Portal to create an account

12- If you have an account, press on 'Existing trade account'

13- Complete details:

- Login: Your account number
- Password: As specified during registration

14- You are now logged in and may proceed with trading

You can also Download the MT4 Platform by visiting our website. Click on 'Platforms' from the dropdown list, Select MT4 for PC then follow the steps 5 to 14.
