Trading strategies aimed at exploiting errors in prices and/or concluding transaction(s) prices that are not representing market value(s), are not permitted/accepted. Windsor Brokers reserves the right to act as it sees fit if a client is found to be using abusive trading strategies, whether by using sophisticated technology, manual methods when such trading is based on errors or any other method found to be abusive but not pre-defined and in accordance with the Client Account Agreement.

More information is available in the ‘Client Account Agreement’ under ‘Legal Documents’ on the Portal or on our website.
